

## LIMONCINO PORTOFINO

---

CFF11

**Raw Materials:** Lemon zests, alcohol, sugar and water

**Tasting Notes:** Clear liquid with an intense yellow color  
Intense and characteristic aroma of lemon peel  
Balanced and persistent taste  
Long and fragrant characteristic sensation  
Untreated lemon peel embodies a strong essence of natural flavours

**Alcohol Content:** 30%

**Bottle Capacity:** 70cl

**Service of Consumption:** To be savored chilled -20°C directly from the freezer

**Way of Consumption:** Pure as a digestive after meal or for long drinks and cocktails but ALWAYS chilled

This refined liqueur is produced in the traditional way, using only the peels of carefully selected lemons coming from "Cinque Terre" in the Ligurian Riviera. The natural manufacturing process preserves all the properties and the aromas of the just-harvested lemons.  
100% natural: no colourings, no flavours, no preservatives!!!
